Administrators

From a casual chat at lunch to a serious conference in their offices, students find Mr. O. J. Budd and Mr. John Gasper interested in their problems.

After graduating from Olivet, Kansas, high school, Mr. Budd, vice-principal, received his A.B. Degree from Emporia State Teacher's College and his Masters Degree from the University of Colorado. He taught at Abilene, Kansas, and served as counselor and assistant principal at East High school. Mr. Budd became vice-principal of Southeast in 1957. His smile and soft-spoken personality give him an air of congeniality.

Mr. Gasper, assistant principal, graduated from Wellington, Kansas high school and received his B.S. at Kansas State University, and his Masters of Education Degree at the University of Wichita. He served as coach and principal of Arkansas Avenue School before coming to Southeast in 1959. His cheerful personality and boyish grin make him a favorite among the students of Southeast.

Mr. O. J. Budd, vice-principal

Mr. John Gasper, assistant principal

Mr. Corwin E. Bare, head counselor

Counselors

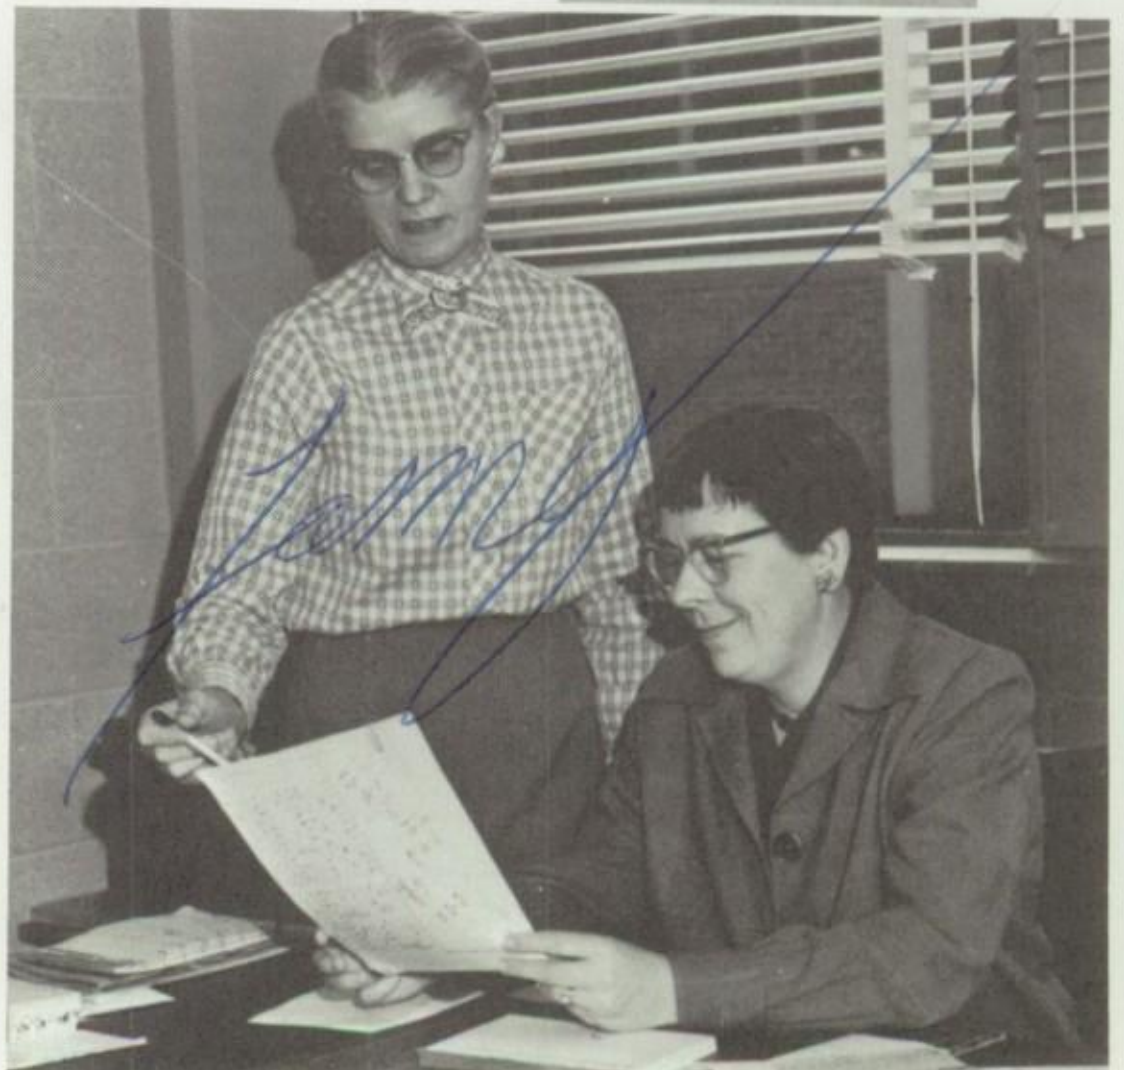

Always attentive and willing to help students with their vocational, personality, and scholastic problems, the three counselors at Southeast maintain an atmosphere of congenial cooperation. They spend many hours each day helping students choose the right college or guiding them toward future vocation. In addition, the counselors change schedules, and discuss other problems.

The counselors are responsible for the various testing programs, interest tests, scholastic aptitude tests, achievement tests, college entrance examinations, and the National Merit tests which are given annually. The results of these tests are interpreted to the student by the counselors.

It is the aim of each of these three counselors to become better acquainted with the students at Southeast during their high school careers.

Nurse

Providing emergency service for injury or sudden illness is one of the many requirements of the school nurse, Mrs. Lura Walters. It is also her task to check every student's vision, hearing, and teeth. This year the nurse worked with the Department of Health, Physical Education and Safety, which offered free tuberculin tests to students.

Approximately 300 students are given health guidance each month by the nurse. Seven assistants are selected to aid her in various capacities.

Office Staff

The office staff is always on hand to help students and to see that the office runs smoothly. Keeping detailed records of all students and processing tardies and absences are a few of the jobs of the attendance clerk.

The responsibilities of the secretary range from taking calls and making appointments for Dr. Addis, to processing eligibility lists.

Coming through the switchboard maze are many calls requesting information of events taking place at the school. It is the switchboard operator's task to supply this information and to check on absent students.

The treasurer's duties are to process funds and keep books for various organizations.

Managing student enrollment and keeping records of grades are the jobs of the registrar. Mimeograph production is the main duty of the assistant registrar.

OFFICE ACTIVITY is evidenced here by workers taking calls, aiding students, and typing material.

Library

With approximately 600 students using the library every day, Southeast's librarian, Mrs. Emma Seely, and her assistants, Mrs. Carmen Ainsworth and Mrs. Louise Stevens, never find a dull moment. They serve the student body and faculty. The librarians are kept busy ordering books, magazines, pamphlets, and periodicals; getting them ready for circulation; and cataloging them. Attractive displays, planned by the librarians, encourage interest and reading on the part of the students.

The increased demand for reading material has been met this year by nearly 1,000 new books. There are approximately 8,800 books in all the library, which, in addition to magazines and periodicals, are valued at \$30,000.

Southeast is fortunate to have excellent library facilities. Besides the library proper there are two private offices and a classroom. The classroom serves as a meeting place for classes doing work in the library.

Honors to Seniors

All types of leaders can be found at Southeast. Many members of the senior class ranked outstandingly scholastically.

One of the most difficult scholastic achievements to attain is a 4.0 grade average. Five Southeast seniors have been able to maintain this straight A average through their four years of high school.

In the spring of 1959, 550,000 high school juniors across the nation took the preliminary National Merit Scholarship Examination. In highly competitive scholastic race, six members of the senior class of 1960 emerged as finalists.

The Wichita Intra-City Honor Society was organized only one year ago by juniors and seniors from all the Wichita high schools who had a 3.7 grade average or above. Many Southeast seniors were eligible for membership in this organization.

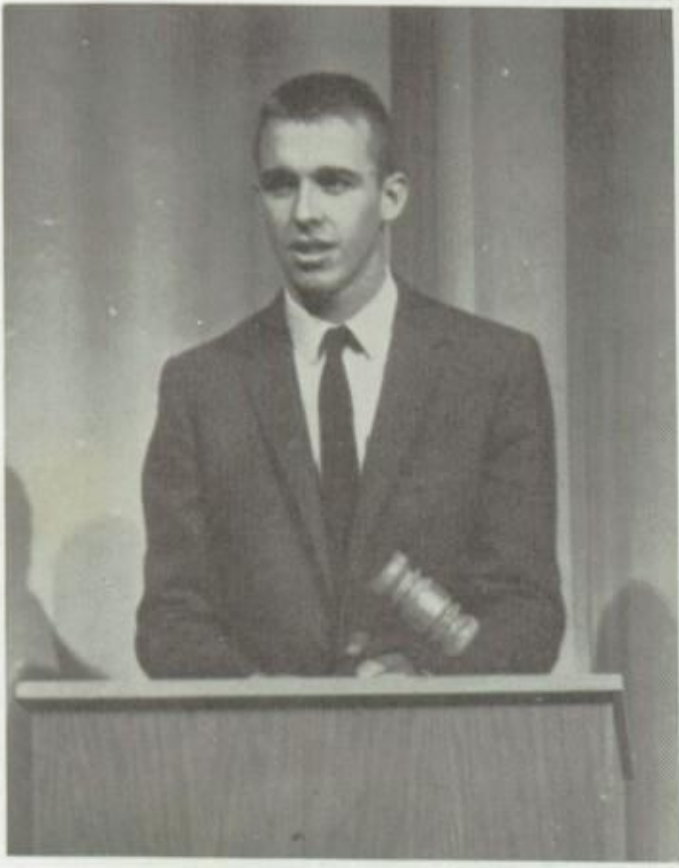

A PAUSE is taken by Lowell Wood, who has a 4.0 grade average.

Student Commission

The Southeast Student Commission is operated on a pattern similar to the city government of Wichita. Each class elects four representatives to serve on the commission along with the class president.

Among the many projects that the commission has undertaken have been the student directories, crowning of the Football Sweetheart, the planting of trees on the campus, and the sponsoring of the All-School Project.

IN CHARGE of "Operation Loot" are R. J. Gump and Sharon Polster.

Elections

Voting machines were used at Southeast in the general election of student officers for the first time this year. They were loaned through the courtesy of the Sedgwick County election commission.

Students voted for a student manager, four commissioners from each class, and class officers. Candidates were required to have at least a C average. All students had to register to be eligible to vote.

ADDING votes are John McDaniel and Julie Champlin, election commissioners.

CHEERING the Golden Buffs during the game is Queen Thea Foulk and her attendants.

Thea Foulk Chosen Queen

While the band played "The Sweetheart of Sigma Chi," Virgil Boll crowned Thea Foulk Southeast's first Football Sweetheart, and sealed it with the traditional kiss. Attendants, Pati Wilhelm and Mary Ridgway, were escorted by Pete Bishop and Jerry Bogle, respectively. The football team nominated twelve senior candidates and the student body voted to elect the queen. Thea reigned at the "Green Lantern," a dance held in the cafeteria after the game, which, incidentally, Southeast won 26-21.

FIRST ANNUAL Football Queen, petite Thea Foulk was crowned at the half-time of the East-Southeast game.

Lynette Hummel Is Crowned Sweetheart

Lynette Hummel became Southeast's Basketball Sweetheart on February 12, as Jerry Slingsby escorted her down the center of the boys' gym, and placed a crown of split carnations and roses upon her head. Attending the queen were Garthanna Smith, escorted by Virgil Boll, and Audrey Shenk, escorted by Don Addy. Lynette carried a cascade of red roses and her attendants had nosegays of pink carnations. The crowning took place beneath streamers of pink and red with a red throne and hearts scattered about the room, carried out the Valentine's theme. The Sweetheart Dance was sponsored by the journalism classes after the Southeast-East game. Dan Tontz's band provided the dance music and played "Let Me Call You Sweetheart" during the crowning. Lynette was chosen by the student body from six senior girls nominated by the basketball team.

Prom Memorable Evening

Snow began to fall outside the Moose Ballroom as Southeast's Junior-Senior Prom gradually became an event of the past. Inside, moonlight reflected from the silver crescent moons which hung from the ceiling and dozens of roses carried out the theme, "Moonlight and Roses."

Reigning as king and queen were Lewis Mull and Mary Ridgway. Senior attendants were Garthanna Smith, Jim Fugitt, Wendy Wilkerson and Jack West. Lola Rust, Buck Oliphant, Pam Ewing and Charles Hurty were junior attendants. Music was furnished by the Jim Starkey Band.

ENHANCING the evening were crescent moons and roses.

MOONLIGHT AND ROSES Royalty for the annual Junior-Senior Prom included Mary Ridgway and Lewis Mull, seniors.

HAVING A BLAST at one of the many school dances put on this past year are these swinging Southeast students.

Year's Dances Vary

There was a variety of dances given at Southeast this year. Students dressed casually for the Raunchy Dance and donned their best for the Junior-Senior Prom. The Student Commission, Pep Club, journalism classes, and the senior class sponsored dances after the games to raise money for school projects. These dances augmented the year's social activity.

DECORATING for dances is fun for these smiling girls.

Seniors Do 'Stage Door'

Senior dramatics, under the direction of Miss Ruth McCormick, presented the play "Stage Door" by Edna Ferber and George S. Kaufman. In the midst of the plot was Terry Randall, a sincere young girl determined to break onto the Broadway stage, played by Susie Reiff. The play was climaxed by her decision not to give up her dream of the theater by yielding to her boy-friend and becoming a movie actress. The strange assortment of young hopefuls living at Terry's boardinghouse kept the play moving. A suicide, a marriage, and an overnight Hollywood success were only parts of the overall plot.

SENIORS Susie Reiff and Jim Sheetz rehearse play lines.

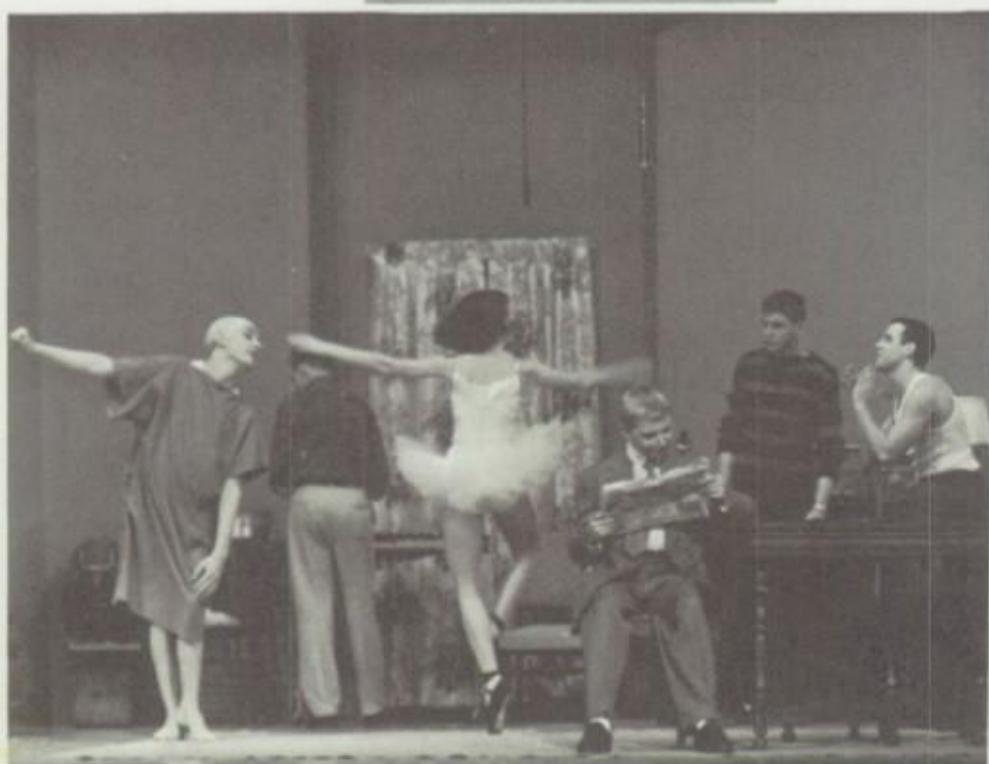

THIS UNIQUE POSTER shows various scenes from the senior presentation, "Stage Door."

THE CAST of the junior class play, "You Can't Take It With You," watches attentively as Larry Willey is brought on stage by a detective. The comedy was presented March 3 and 4 to a large audience

OVER "71" **Juniors Present Comedy**

"You Can't Take It With You" by George Kaufman and Moss Hart was the presentation of the junior drama students directed by Miss Ruth McCormick. The ageless story of young love overcoming the obstacles of family differences provided the basic plot. However, with a family such as the Sycamores involved, these differences were enormous. When Alice Sycamore fell in love with Tony Kirby, vice-president of the company for which she worked, it was inevitable that their two families should clash. With a would-be playwright for a mother, a fire-cracker fanatic for a father, and a grandfather who didn't believe in paying his income tax, the family was not without excitement.

A FLOUNDERING demonstration of her "talents" in ballet dancing is enacted by Chris Wolf, junior.

A HEATED argument involves these two junior boys in the play.

Musical Groups Present Many Excellent Programs

Choraleers, directed by Mr. Gordon Flood, and orchestra, directed by Mr. Howard Jacob, opened the year by combining their efforts in "Lowland Sea," a musical tragedy with Carol Williams singing the lead. The orchestra set the mood with a brief prelude, and Choraleers and Girls Glee Club sang several numbers especially arranged for Southeast by Harold Owen, Ford Foundation composer. At

Christmas, Choraleers presented "Madonna and Child," a modern concert of religious selections. The Madrigal Singers joined the orchestra in "Scene and Variations," and in the spring, another "Chimerical Euphony" was given by the small ensembles. Besides school assemblies, the groups performed at civic activities, spring contests, and the city-wide concert.

THE FLAMING circle is being executed by Janice Bargdill, senior, Southeast's excellent head twirler.

Band Gives Concert, Marches for Games

The band, under the direction of Mr. Howard Jacob, occupied itself this year by marching in the Santa Claus Parade, presenting an assembly for the student body in January, and joining the orchestra in February to present "Music for Squares". Much time also went into planning and practicing new and unusual routines for half-time entertainment during football season.

The enthusiastic sounds of the pep band inspired school spirit in the student body at pep assemblies and basketball games. Selling magazines was an activity of all the music classes to raise money for pep band uniforms and stage equipment.

Southeast's four twirlers, headed by Janice Bargdill, who ranks first in the state, put in many extra hours working up new routines for half-time entertainment and pep assemblies.

Debaters Ponder Labor Regulation Question

Southeast debaters took part in 10 tournaments this year and added two trophies to their collection. The debate question was, "Resolved: That the Federal Government should substantially increase its regulation of labor unions."

It takes personal confidence and ability to think quickly, to stand before strangers and convince them of the desirability of a particular idea. Many

hours of careful research are put into a debater's preparation. Students in debate must logically analyze and organize material into a strong argument. They must constantly keep aware of current events. Southeast debaters, under the coaching of Mrs. Myrne Roe, became proficient at the art of debating during the first semester.

"HERE WE GO AGAIN!" Members of the debate teams board a waiting bus to attend an out-of-town tourney.

"OH COME NOW," Mike Jennings, junior, says tolerantly, as he points out a fact.

Hoofbeats Staff Works To Improve Yearbook

Hoofbeats staff members had fun as they gained experience working together creating the 1960 edition of Hoofbeats. Writing copy, counting cutlines, pasting pictures, and drawing pages kept staff members busy meeting deadlines. Besides regular yearbook work, enthusiastic members raised extra money for the yearbook by selling programs, pictures, and popcorn, and giving a dance. Early in the year, several members of the Hoofbeats staff attended yearbook conferences at the University of Wichita and at El Dorado, Kansas. An exciting subscription campaign to sell yearbooks was kicked off by staff members parading in the halls carrying banners and masterfully playing their improvised musical instruments. To provide interest, the staff presented an assembly which was entitled, "The Jack 'Under-Parr' Show."

TAKING time out of her busy schedule, Mrs. Virginia Stone answers a question.

Journalists Set New Traditions During Year

A weekly Stampede was made possible for the first time this year which was an improvement over the bi-weekly publications of the two previous years. The two classes alternated weeks of publication and although they worked together, there was a competitive spirit. Southeast's first all-school magazine was only one of the extra projects undertaken by the journalism classes.

To most members of the Stampede staff, journalism was an entirely new and challenging class. Writing headlines, news stories, cutlines, features, editorials, columns and sport stories was soon found to be very different from the writing they had previously done in English. The journalists soon found they also had to solicit enough advertising to finance their paper, sell subscriptions and sponsor money-making projects. The Sept. 25, 1959 issue of the Stampede was their first lesson in journalism.

Before the job of writing could begin, the journalists had to cover their beats and find newsworthy material. The job of writing up the material in the paper in a journalistic style was just the beginning of the finished paper. A few of the tasks which followed were copy reading on the make-up pages, correcting page proofs and meeting the printers deadline.

STAMPEDE EDITORS for the year were John Hackenburg, Beth Kester, Kay Hephner, Janet Hutchens.

Creativity Shown

Southeast's progressive Art Department again tried to outdo itself. It was a year of many firsts, which included the publication of Southeast's first art calendar and new inventions in packaging design. The special productions class designed and built the stage sets for those programs which warranted creative ideas, and worked closely with the Music Department in its programs. Art students painted scenes on the office windows and erected a mosaic in the main entrance for the Christmas holidays.

AS CHRISTMAS approaches, two art students create a nativity scene.

Art, Drama Encourage Enjoyment of Fine Arts

Art Club provides an opportunity for students interested in art to meet and share their art experiences.

This year's activities benefited other students as well as members of the club. They included decorating windows and constructing a mural with a stained-glass effect during Christmas, and a skit for an assembly. The club incorporated several illustrations of the members' talents in calendars which they sold to students.

Meetings were held the first and third Tuesday afternoons of each month in A-2. Sponsoring the group was Mr. Lowell Adams.

Drama Club functioned with the main purpose of developing students' dramatic abilities. Students not enrolled in dramatics find enjoyment in helping to produce a play. Drama students gain more acting experience by joining the club. The most outstanding activities for this year were the one-act plays. They included two comedies, "Ringing in the Groom" and "Nero Fiddles", and three dramas, "Fog on the Valley", "Elizabeth", and "Soldarera". Students themselves directed the plays, under the supervision of Miss Ruth McCormick, Mrs. Myrne Roe, and Mr. William Gnuse, sponsors. Meetings were held on the first and third Monday of each month.

Girls Participate in Sports; Earn Sweatshirts, Letters

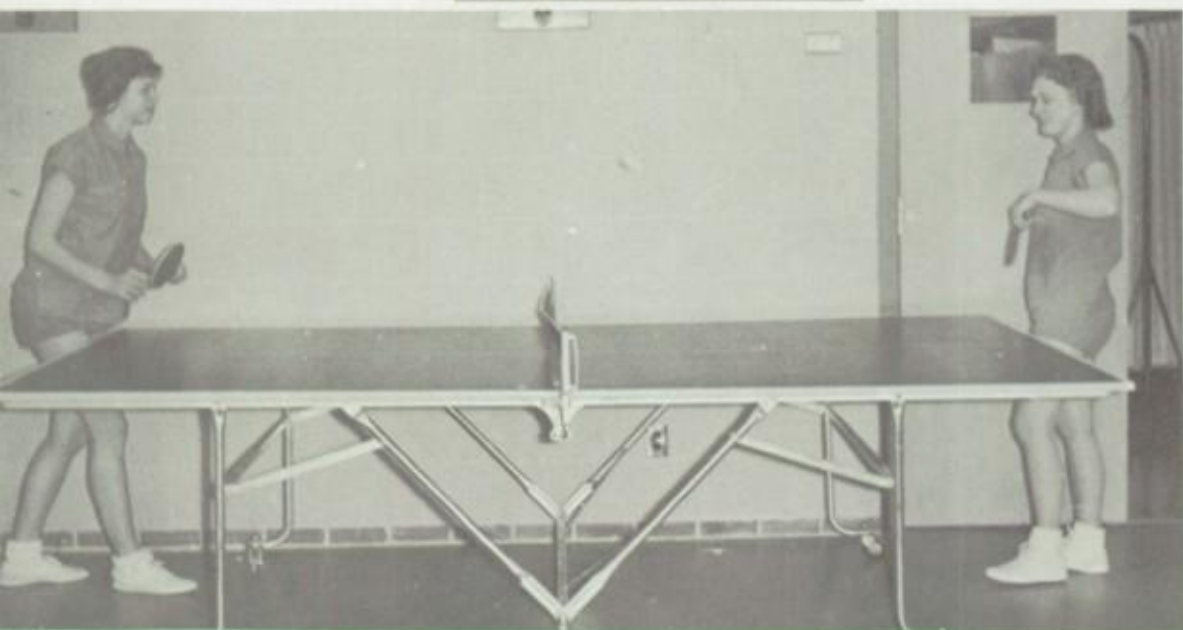

A great variety of sports activities are available to girls enrolled in physical education and those interested in after-school activities. Whether a beginning bowler or a lifesaver in swimming, every girl at Southeast can find a sport to suit her fancy.

After a girl has fulfilled her requirements of one semester of swimming and one semester of health education, she is free to choose from the long list of sports. If she chooses individual sports, she will take part in tennis, badminton, archery, track, bowling, and ping-pong. If a girl prefers to play baseball, hockey, basketball and volleyball, she may select team sports. In floorwork classes, girls learn the fine points of marching, tumbling, stunts, relays, and various dances. Modern dance and swimming are two of the most popular classes.

Paralleling the boys' Lettermen's Club are the Buffa Lu Lus. After earning 100 points in gym, a girl is eligible to buy a gold Buffa Lu Lu sweatshirt. Ten points are given for such achievements as an A for the nine weeks, being a leader for nine weeks, getting an A or B on a skill test in any sport or modern dance, demonstrating various exercises on the ropes and rings and numerous other achievements.

POISED AND READY, Southeast awaits the snap of the ball during the West game.

Southeast Takes Ninth in State Rankings

The Southeast Golden Buffalo football team, which, in the first two years of the school's existence could manage only two wins, vaulted to the ninth-ranked team in the state this year.

Given a new coach and championship-caliber players, the Buffs out-played seven of their nine foes and took undisputed grasp on second place in the Wichita Public High School League.

The Buffs started the season with an impressive 26-0 win over Shawnee Mission East High School. After two midseason losses, the Buffs came back dramatically to win the Homecoming game over East High School, traditionally Southeast's biggest rival. The season's final game was played in the afternoon on one of the coldest days of the year. But that didn't stop the Buffs as they romped to a 56-7 win over South High School.

The Student Commission, in recognition of the team's achievements, sponsored a special assembly honoring the coaches and players connected with the team.

Southeast can take much pride in their football team of 1959.

Bufs Cross Country

Participating in cross country for the first time in Southeast's three year history, the Buff runners made an impressive showing. A cross country race covers a distance of approximately two miles. It requires competitors to be in top physical condition to keep up the grueling pace. The cross country team was coached by "Monk" Edwards and Ken Warwick.

Bufs Even on Season Record; 3rd in League

Going into its third year of school, Southeast was expected to have the best basketball team of its short history, and that it did. Chalking up an 11 and 11 record, the Bufs captured third place in the City League by winning three league games, three more than last year. Perhaps the thing that makes the season successful is that Southeast played four of the top six teams in the state. The Bufs also took third in the West Tournament.

The high points of the season came when the Bufs upset highly favored North High. Southeast was ahead by as much as 15 points and went on to beat North for the first time ever in league play. Another highlight of the season was when 96 points were racked up against Wellington in the Regional Tournament. The Bufs had three regulars scoring 20 or more points. And finally, Southeast won an exciting game over Winfield for their eleventh win of the year and a third place trophy in the Regional Tourney. Southeast had two All-City players and a real fine year on the hardwoods.

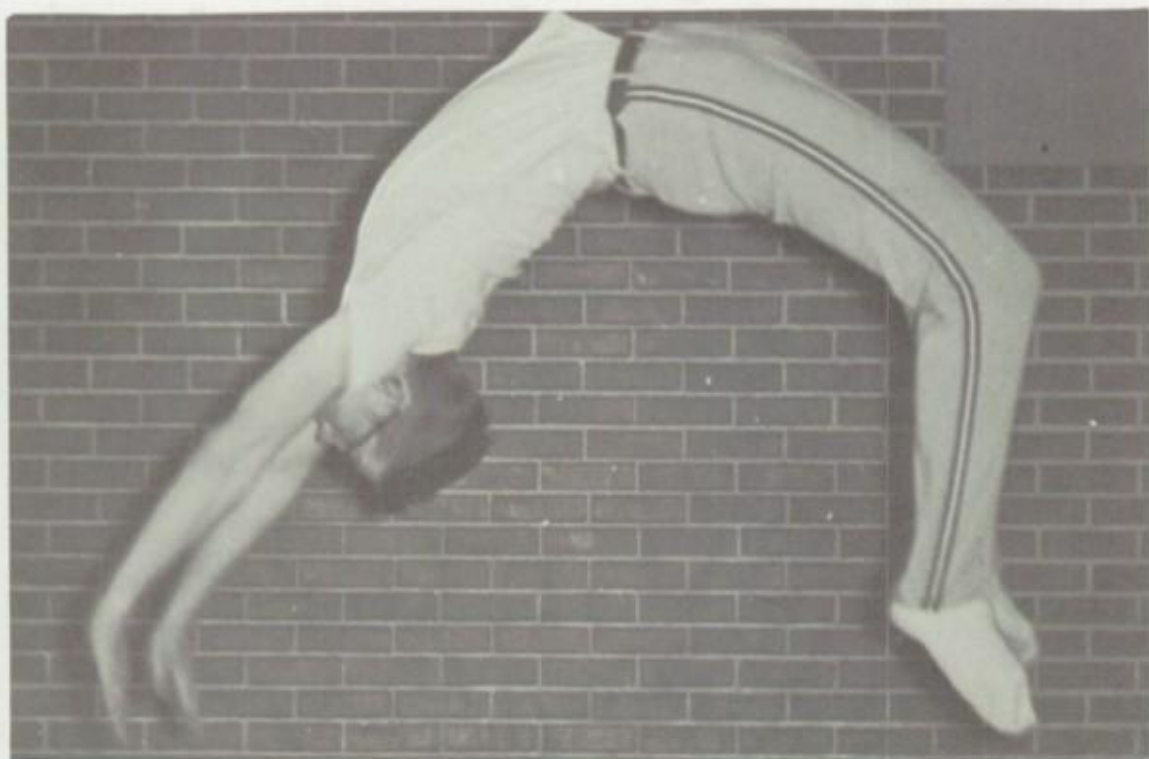

MEMBERS of the Basketball squad are, from left to right, front row: Slingsby, Hardy, Matzen, Thorne, Scott, Steward, Addy, Bishop, Snyder, Wolf, Boll. Second row: McNaught, Davis, Warner, Burnett, Miner, Fairchild, Casement, Panton, Burd, Chatley, Chris. Third row: Coach Bill Moran, Webster, Bender, Keimig, Kennett, Jones, Nyquist, Coach Don Lamb.

LARRY SNYDER (24) seems to duck his head as an East High player grabs the ball.

NORMAN CONLEY, a member of the gymnastics team, shows how to accomplish an extremely difficult, but formful back flip.

Gymnasts in School League

High bars, horses, and rings are all a part of the gymnast's exercise. And, at Southeast, the gymnastics team entered their first year of competitive exercise this year. Handicapped by not having a place to practice, the team came in the evening to work out. With sparkling new uniforms and A. R. Edwards for a coach, the team compiled a 1-3 record.

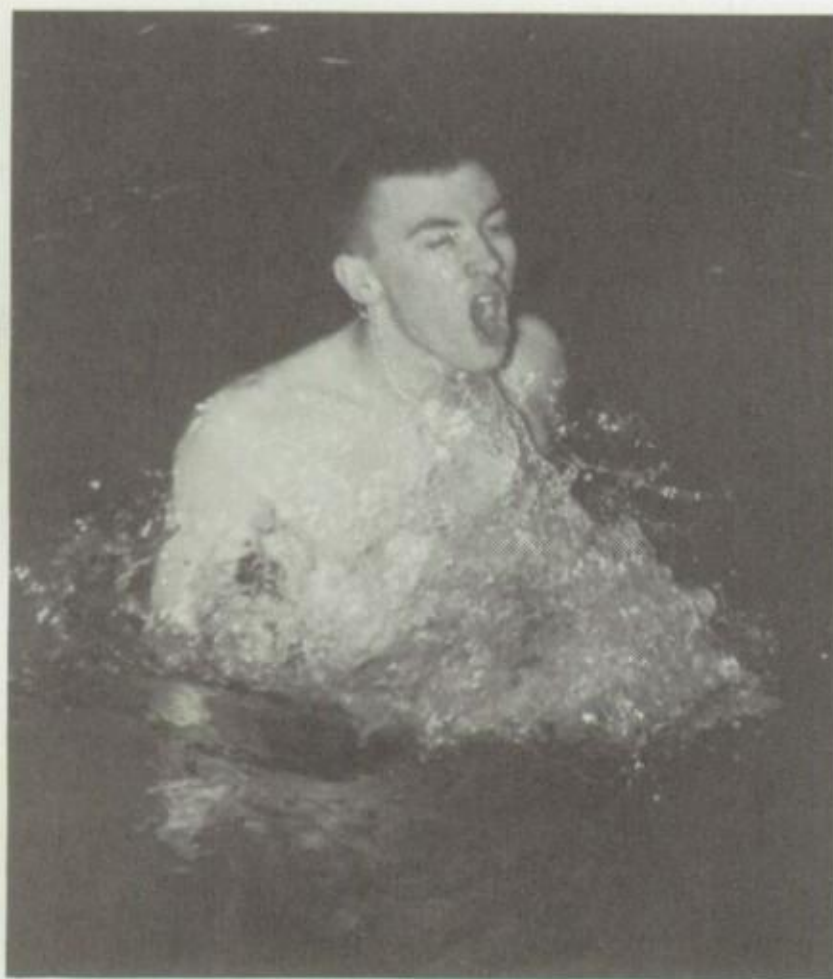

GYMNASTIC TEAM MEMBERS are, from left to right, front row: Coach A. R. Edwards, Cary, Slaughter, McHarg, Hopper, Conley, Jones, Roush. Second row: Gibson, Duncan, Smith, Gibbs, Haines, Frazier. Back row: Cockrum, manager, Humphries, Cruik, Hitchcock, Pitts.

Finmen Have 5-4 Record

The Southeast swimming team, under the direction of Mr. Ken Warwick, compiled a five and four record this season. The "water buffaloes" placed fourth in the state and first in the 100-yard breaststroke. The swimmers lifted weights and ran distances to get in shape, and swam every morning before school.

TWO RACERS in a swim meet are seen in mid-air as they dive off to a flashing start after the signal.

"ONE POINT for escape," says Coach Marvin Vandaveer as an unidentified Southeast wrestler rolls out of referee's position.

Wrestlers Chalk Up Sixth Place in State Meet

"Rompin' Ray" Romero, as he is called by his followers, coached the Buff Wrestlers to a four and four record this year and a sixth ranking in the State Wrestling Meet. Among some of his muscle men were Jerry Cheynet and Bob Wellman. Cheynet

chalked up 17 straight victories before being defeated in the state meet. Wellman, a junior, racked up the state heavyweight championship. Along with these two, there were many others who made the team successful.

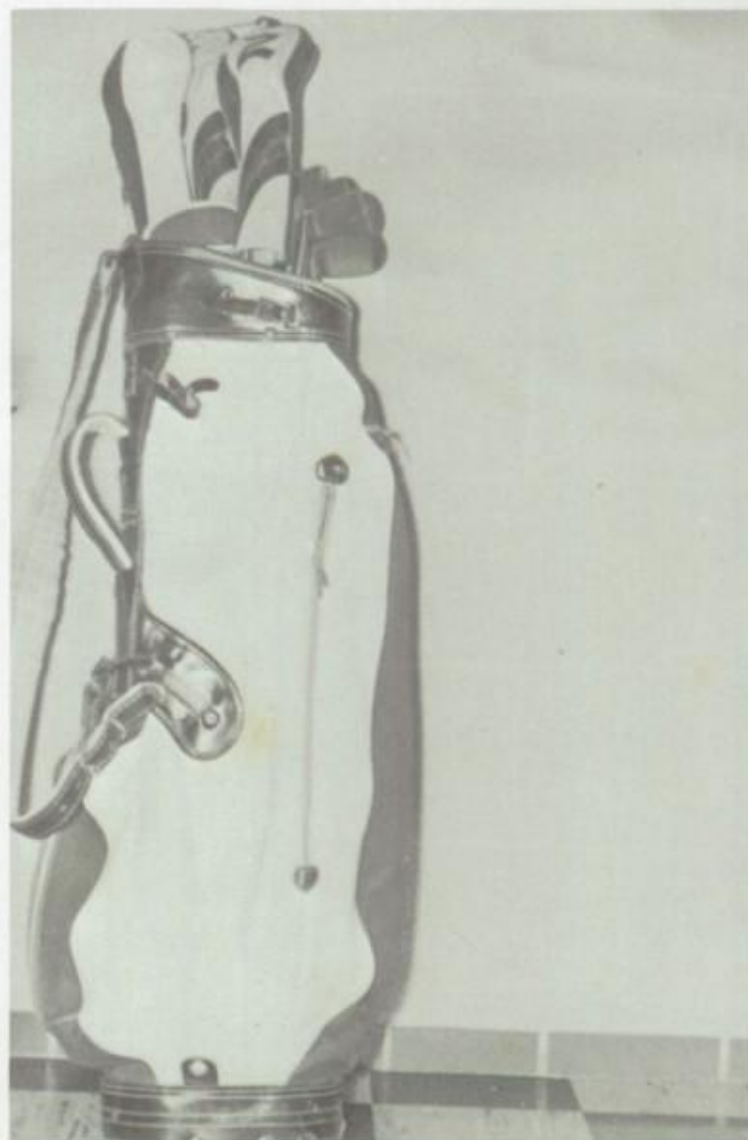

MEMBERS of the wrestling squad are, from left to right, front row: Schroader, Consolvo, Aycock, Tanner, Cheynet, Hill, Hill, Oliant, Bogle, Mull and Wellman. Second row: Pendergraft, Nelson, Williams, Cummings, Todd, Welch, Givner, Towner and Aring. Third row: Coach Vandaveer, Coach Romero, Anderson, Thomas, Jones, Cunningham and Johnson.

Competition Keen In All Golf Meets

The Buffs Golf team, 1959 Champions of Wichita, started their season this year by getting in form after a long winter layoff. Boys practiced putting, teeing off, chipping, and other fundamentals under the supervision of golf coach Ray Romero. Romero, a fair "hacker" himself, kept his team in shape by having them practice every night after school. The golfers' home course was Clapp Park. After school, the team journeyed to Clapp and played nine holes of golf. After a week, the top six men played off the "A" team match. There were two man teams and four man teams. Opposing scores of both the two man team and the four man teams were counted. All competition was medal play.

GOLF LETTERMEN of 1959 are Jerry Shaw, left, and Richard Russ. Not pictured, Mike Dunn.

LOTS OF REST is what the golf bag got as snow forced the golfers inside.

Tennis Squad Has Several Lettermen

The Golden Buffalo "Net-Men" started their season inside as did all other spring sport squads. Coach Moran's squad was fairly inactive at the beginning of the season, but went on to make a respectable showing in league play. Jim Bach, John Kearns, Ralph Devlin, Chris Freeding, and Walter Rennick were the returning lettermen and posed a tough threat to league foes. A tennis meet involves six men. In a meet, each man plays a singles match, and then the six players combine and play three doubles matches. The winner of the most matches wins the meet.

TENNIS LETTERMEN for the 1959 season are, from left to right, Ralph Devlin, Wally Horn, John Kearns, Jim Bach, Chris Freeding.

A LOW HURDLE is taken in stride by Jim Vandaveer, outstanding senior trackman.

Tracksters Start Season Inside Gym

A prolonged winter forced the Buff track team to work out inside for the first part of the season. Track men, coached by Don Lamb, ran laps, passed relay batons, and jumped hurdles in the hallways as the snow kept falling. The first meet had to be postponed because of 15 inches of snow. Although forced to stay inside for a while, the team had several promising men. Bob Allen ran the 440 and relays; Jim Vandaveer, hurdles; Keith Watkins, pole vault and high jump; Virgil Boll and Ernie Recob, short sprints. Both Boll and Recob ran the 100 yard dash in 9.9 seconds last year. Many others helped make the team successful.

LETTERMEN for the 1959 season are, from left to right, front row: Allen, Boll, Taylor, Aycock. Second row: Dewherst, manager, Watkins, Bogle, Coach Don Lamb, Bond, Kresge, Clinton, manager.

Baseball Team Fights To Regain City Title

Mud and cold weather kept the baseball team in the gym at the start of the season. Pitchers warmed up under the watchful eye of assistant coach Marvin Vandaveer and infield practice was organized by head coach A. R. "Monk" Edwards. The team's first crack at batting did not begin until the ground thawed and dried. When the "bagtaggers" finally got outside, they managed to come through the season with an impressive record. Sandy Steward, who was a starting pitcher during his junior and sophomore years, came through brilliantly again. Larry Snyder and Cliff Hill, seniors, aided the team with their outstanding infield play. Jerry Slingsby, Pete Bishop, and Bevo Latinis, seniors, also returned from last year's number one baseball team in the city.

SPEED and form, shown by Sandy Steward, is important.

BASEBALL LETTERMEN for the 1959 season are, from left to right, front row: Ratliff, Hill, Slingsby, Steward, Bishop, Cockrum. Second row: Coach A. R. "Monk" Edwards, Blackman, Snyder, Latinis, Tanner, Coach Vandaveer.

my darling
annie; you one
of the sweetest, most
adorable girls I
have ever known
I know you've
been involved with
us in our hour
and, we couldn't
have made it
without you.
I hope you have
a wonderful senior
year. Take
care of all
those boys. I
wish all the
happiness
you deserve
in the year
to come.
Love

GET
THROWN
IN JAIL
FOR IT.
YOU

OF THE
HOTTEST
BEST
LOOKIN

+
MESSING
AROUND
WITH YOU
THIS

TO MUCH
SPACE
TO WRITE
IN. YOU
MUST NOT
THINK AS
MUCH OF
ME AS
YOU SAY
YOU DO.
I KNOW
YOU AND
